R E P O R T :

[To accompany H. Res. 120.]

The Committee on Printing, to whom was referred the joint resolution (H. Res. 120) to print the annual bulletins of the Bureau of Ethnology, have duly considered the same, and recommend its adoption.

This printing will be in addition to the 15,000 copies of the annual report of the Bureau of Ethnology, and will be different in matter.

It will be a report, in detail, of the operations and researches of the Bureau, to be published in parts as bulletins, as the said operations and researches transpire. There will be from three to six parts per annum, costing about \$500 for each edition, or from \$2,500 to \$3,000 per annum, the whole to form an annual volume of bulletins.
